Thank you for your interest in the Division of Urology Residency Program at the University of Mississippi Medical Center. The program is a fully accredited five-year program, which includes one preliminary year in General Surgery and four years in Urology. We accept applications for the Match each year **ONLY** through **ERAS**. Should you have questions regarding ERAS, please contact your Dean's Office. International medical school applicants should apply through the Educational Commission for Foreign Medical Graduates and must be ECFMG certified before our application deadline. The following items are required to complete your electronic application.

1. Common Application Form
2. Curriculum Vitae
3. USMLE Scores
4. Dean's letter
5. Medical school transcript
6. Three letters of recommendation
7. ECFMG Certification (IMG only)
8. Personal Statement

The deadline for completed applications is October 16, 2009. All applications will be screened, and all applicants will receive notification by e-mail of the status of their application. We will conduct interviews in November and December. An applicant without United States citizenship must have either a J-1 visa or Permanent Resident status (Green Card) in order to be employed as a resident at the University of Mississippi Medical Center. If you have further questions, please contact us. Thank you for your interest in the University of Mississippi Medical Center.
